TO: ALL VILLAGE VETTES CORVETTE CLUB MEMBERS

CORVETTE RAFFLES

There are three chances for you to win a new Corvette coming up. I know what you're thinking --- what a waste of money; no one ever wins those raffles. Well, I can say straight faced that's not true. In fact, your chances of winning a new Corvette are substantially better than any other raffle I can think of ----- the higher priced the ticket, the greater chance you have to win. I recommend you buy the highest priced ticket raffle you can stand because your chances of winning are greatly enhanced. Furthermore, the price of your raffle ticket is tax deductible whether you win or lose.
